

PRODUCT DATA SHEET

SMARTGARD GCPI BALLISTIC SECURITY GLAZING

PRODUCT #: GCPI

DESCRIPTION:

A bullet resistant, low-spall asymmetrical laminate constructed with glass, and polycarbonate bonded together with adhesive interlayers. Both the attack side and protection side are glass.

The demands for security glass is increasing. The AIT/LTI Glass Clad Polycarbonate Series products are custom manufactured to be utilized in secure environments where consistent quality and optimum optical clarity are priorities.

FEATURES:

- Bullet resistant
- Low spall
- Glass on interior and exterior surfaces (glass clad).

CONSTRUCTION:	PERFORMANCE DATA:
<i>Attack side</i>	Max Standard Dimension: 60" x 96" (larger sizes may be available -contact us)
Proprietary BRI Layers	Nominal Thickness: 1.045"
.050 Adhesive Layer	Thickness Tolerance: 1.010" to 1.080"
3/16" Annealed Glass	Weight: 11.93 Lbs. / Square Foot
<i>Protection side</i>	Visual Light Transmittance: 80%
	Ballistic Rating: UL752 Level I 9mm – 3 shots No penetration / Low spall

COMPLIANCES

- ASTM C1036 – Standard Specification – Flat Glass
- ASTM C1172 – Standard Specification for Laminated Architectural Flat Glass
- ANSI Z97.1 - Safety Materials Used in Buildings
- CPSC 16 CFR 1201

INSTALLATION SPECIFICATIONS

AIT strongly suggests the use of a suitable structural security framing with an appropriate protection rating. Allow for a minimum of a (1) inch edge engagement in the frame with sufficient rabbet depth to allow for expansion (approximately 1/16"/FT).

Larger lites may require deeper edge engagements. It is imperative to the life and durability of certain composite types that compatible sealant or gasket material is used on both sides of the laminate. An appropriate sealant solution can be specified by LTI if required.

The AIT Group produces the finest glass and composite laminates in the world, proper care during installation will ensure years of superior performance.

ADD-ON OPTIONS & ADDITIONAL INFO

Additional options include: Instantly switchable SmartGlass electronic privacy adds-on, Pilkington Mirropane®, Hard Coated Low E, Insulated Units, Tints, Fire resistant glass, Graphics or decorative Smart Designs, and more. Contact AIT for all available options or for a custom make-up design.
